

CHRIS SAUNDERS PARK

Picnic Policy

Picnic type parties are welcome in the park as per our policy below:

Small groups [max 30 people] are welcome to picnic in the Park [provided there are no functions on the day]. There are certain conditions relating to these picnics

- No structures / gazebos / umbrellas;
- No cooking – i.e. braais / skottles etc;
- No alcohol
- No glass
- If tables and chairs are brought in [blankets are preferable] they are to be the folding camp type chairs and tables – i.e. plastic tables and chairs aren't permitted;
- No jumping castles or other inflatables are permitted;
- No ball sports;
- No decorations [balloons / banners etc] are to be put up;
- You can't cordon off a "private" area.
- Park rules as displayed at the Park to be adhered to.

The water flowing over the sandstone is safe for kiddies to splash and paddle in, however the water in the lake is non-potable and should be avoided.

We do not take bookings and if there is a paying event in the park on the day, then you will unfortunately not be able to have the picnic.

Photoshoots

Small family / wedding type photoshoots are welcome on the same conditions as picnics. No props permitted other than what would ordinarily be brought in for a picnic.
